RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Notice of Non-Compliant Amendment dated January 16, 2007, in connection with the above-identified application. This response is timely filed.

The Notice of Non-Compliant Amendment urges that the Amendment filed December 21, 2006 is considered non-compliant because amendments to the drawings are not properly identified in the top margin as "Replacement Sheet," "New Sheet," or "Annotated Sheet" as required by 37 CFR 1.121(d).

Applicants respectfully submit that because no amendments to the drawings have been made in the Amendment filed December 21, 2006, the Notice of Non-Compliant Amendment has been issued erroneously. That no amendments to the drawings have been made in the Amendment filed December 21, 2006 is clearly evident from, e.g., the fact that the first page of the Amendment does not state that any amendments to the drawings are presented therein and that no page appears in the Amendment setting forth the requested amendments to the drawings.
